

The **Fall 2011 Great Sauk Trail Council Popcorn Sale** has almost begun! Here are some reasons why you should consider participating in this fundraiser:

1) You earn a 30% commission of your sales, and all your commission goes into your scout account! There are also great prizes you can earn, depending on the sales level you achieve.

2) Council also earns a commission on your sales. This is a great way to support our Council and help them provide us with an excellent program!

There are two ways to sell Council popcorn:

A: *Sheet orders* taken on your order sheet. Remember to collect the money at the time you take the order. You will receive your popcorn by mid-November, to deliver to your customers. Order forms and prize sheets will be available mid-August.

B: *Carry product* with you and sell it directly to your customers. Pre-order what you need then go out and sell it. **NEW THIS YEAR:** Council has revised their return policy: unfortunately, if you order popcorn to carry, you cannot return any popcorn to Council, at any stage of the sale. This means you are responsible for selling 100% of the 'Carry Product' orders you make. We ask that when you pick up your order you leave a personal check equal to the amount of popcorn you are ordering. We will hold the check until all your collected sales money is turned in, and will return the check to you at that time. Please understand that the Troop cannot assume the liability of ordering several thousand dollars worth of popcorn inventory that may not be sold and cannot be returned. Plan your order carefully!

Key Dates:

August 10: Early-order 'Carry Product' requests are due. Requests must be in to Chris Amori. **You must order in full cases**, and are responsible for the cost of your entire order. **There are no returns!**
